

Financial Stewardship

Thank you for your financial investment in our parish family. We are a generous community, and I appreciate your care and concern for our fiscal wellbeing.

The most common way for us to contribute to the parish is through the weekend collection offering administered by our usher crew. Now, given that we have suspended our public celebrations of the Eucharist, we offer the following alternatives for how to continue supporting the community in a safe and secure manner.

1. Mail a check to the parish office.
18943 Caldart Avenue NE
Poulsbo, WA 98370
2. Text the word 'give' to 360-233-2808. A text response will provide a link directing you to Parishsoft.com. Please look for the painting of St. Olaf Church on the home screen.
3. Visit <https://giving.parishsoft.com/app/giving/stolafchurch>. You will recognize the painting of St. Olaf Church on the home screen.
4. Contact Joy Erickson at the Parish Office for assistance in setting up electronic deposits. Joy can be reached at 360-779-4291, and at joy.erickson@stolafschurch.org.

Again, thank you for your financial invest in the present moment and in the future of the parish. And, as always, if you have any questions about any aspect of our parish finances, please speak with Tim Propeck (chair) or any member of our Finance Council.

Blessings,

- Father David
